To whom it may concern:

Marsandra Clark is an extraordinary young woman. As one of her Assistant Principals at Roswell B. Mason, I have seen many examples of her talent and have long been impressed by her diligence and work ethic. I understand that Marsandra is applying for a position at your school. I would like to recommend her for that position

Marsandra has outstanding organizational skills. She is able to successfully complete multiple tasks with favorable results despite deadline pressure. As part of a yearbook project, she developed an innovative collaborative DVD with her colleagues. This DVD is now being enjoyed by all of the eight grade staff as well as students. Marsandra not only headed the project, she ensured its success by demonstrating leadership abilities that her colleagues both admired and respected.

Always, in her work, Marsandra is consistent, dedicated, passionate, enthusiastic, cheerful, and a pleasure to work with. She has incredible creative energies and a refreshing idealism tempered only enough to accomplish what needs to be done. I highly recommend her for any position of work, leadership, education, or any other capacity in which she can spread her excitement and share her talents with others. I am expecting big things from Marsandra in the way of educational and communal leadership in the years to come. And knowing Marsandra, she will not disappoint, and probably will exceed my expectations.

Thank you once again for the opportunity to recommend such a special and impressive young woman.

Respectfully Yours

Antionette Patton
